Laboratory Policy

IQ Dental Education has onsite simulated dental operatories with Intraoral functional Dental Radiology Machines.

All rules pertaining to the Laboratory experience must be acknowledged and followed.

I, _____ agree that:
Print Name

- I will wear my identification name badge at all times
- I will wear my personal monitoring device at all times during laboratory and clinical experiences
- I have been informed of, and will not stand in the Primary Beam
- I will be directly supervised by a Board approved instructor, in the room, at all times
- I will not hold a receptor during any exposure
- I will not be permitted in the Laboratory without an instructor
- I will not expose any radiographs unless under the direct supervision of my instructor
- All exposures taken at IQ Dental Education will be taken on manikins only
- I understand that the panoramic machine will only be operated on Demo mode, although this machine does not produce any ionizing radiation
- Any infractions or egregious events will result in immediate dismissal from the program
