Radiation Requirements and Policies

(Signature Page)

If a student voluntarily declares pregnancy, IQ dental will provide instruction regarding radiation exposure and risks as they relate to the embryo-fetus and pregnancy. Program modifications can be made, if student continues, badge must be worn at waist level. Reports will be returned within 7 days. If an exposure is greater than 50 mrem (0.5 mSv) IQ Dental Education will begin an investigation. (see N.J.A.C. 7:28-19.13 (f)14 for additional details.)

**IQ Dental requires a doctor's note stating the student may expose radiographs while pregnant. All procedures of operator protection will be adhered to.*

I _____ have read and fully understand all radiation policies, rules and regulations, as outlined by IQ Dental Education in this student handbook. I agree to abide by all policies, rules and regulations. I understand failure to comply with all policies can result in immediate dismissal from the program.
